

Post-School Pathways for Students with Disability - *Virtual Expo for Parents*

"Does your child have an NDIS plan? Are they in Year 9, 10, 11 or 12?"

We invite you to join our Virtual Post-school Pathways Expo— an online event designed to connect families with services, programs, and resources that support young people with disability after school. This informative online event will introduce you to a range of support services and resources available to help your child transition successfully from school into adulthood.

Session Overview

- Post-School Pathways
- Navigating Support Services
- Organising NDIS Plan Reviews
- Employment Assistance & Disability Service Providers
- Exploring Opportunities

The presentation will be emailed to participants after the session

Date:
Wednesday 13 August 2025
